

Gator Gazette

Dear Members & Residents,

We always get excited this time of the year, knowing the season is upon us and we start our planning of a fun filled, active year. First we would like to remind everyone of our hours of operation. Serving Lunch Monday thru Saturday, 11:00am to 2:30pm, Sunday Morning Breakfast from 8:00 to 1:00, plus Friday and Saturday nights for Dinner, Buffets, and Karaoke.

A few special nights to keep on your schedule are: Italian Night on the 14th, the Prime Rib & Crab Leg Buffet on the 17th, and Thanksgiving Dinner on Thursday the 22nd.

This time of the year we begin to get real busy in the Dining Room so please assist us by calling in early for reservations for special evenings. This helps us with staffing & preparation. Thank You !!

We had a great Halloween Party with so many "Great Costumes". Fun was had by all and we appreciate the efforts of those dressing up to make it a wonderful Party at GT.

Thanksgiving Dinner

We have Two Seatings this day, 1:00 & 4:00 PM. A beautiful afternoon at Gator Trace with your choice of Roast Turkey with all the trimmings, Honey Baked Ham or Beef Tenderloin Medallions. Dinner will include choice of sweet potato or mashed potatoes, veggie, soup or salad & your choice of Pumpkin or Pecan Pie, & Coffee.

Friday Nights are Lots of Fun with Dinner & Karaoke. This month on the 9th, we will be serving our World Famous BBQ Ribs along with Karaoke. "Join Us"!

Italian Night

Come join us for Italian Night featuring Chicken Parmesan or Spaghetti & Meatballs, with Caesar Salad & Garlic Bread. \$16.50 per person & it is "Awesome".

SAVE THE DATE

Our Annual Member's Christmas Party will be held on December the 6th. The "Jazzy Boys & Mia Band" will be performing live for Dinner & Dance Music.

Golf Shop News

Plenty of new items coming in this month to the Golf Shop. Logo Golf Bags by Datrek & Bag Boy, Headwear & Outerwear by Ouray, Men's and Ladies Clothing by Bermuda Sands, New Golf Balls by Srixon & Crystal. Plus we have added a new line of "Ping Putters".

On The Green

Gearing up for the season, we plan on putting out new flagsticks with red flags, yellow pindicators, and new cups. November is also the month we do our annual mulching around the Clubhouse. Towards the end of November we will be refurbishing some of our bunkers with new sand.

This month we are continuing with a new product on our Tee Tops to try to eradicate the Tropical Signal Grass. Tees could look a little weak for several weeks after but should grow out nicely in December & ready for the season.
