

Gator Gazette

Dear Members & Residents,

Welcoming back our Snow Birds that have worked their way back down for the season. We hope all have stayed safe and well and are looking forward to a Good Time at Gator Trace. Of course it will be a little different this year with the Corona virus and we are doing our part by working hard on sanitizing and social distancing. Those that wish to dine outside, the Clubhouse Deck is a great spot to relax and enjoy GT!

Casual Wednesday with the Gator Allstars

Come join us for a casual night at the Clubhouse featuring our World Famous Meatloaf with Mashed Potatoes & Gravy and Green Beans Almondine. Wednesday, November the 18th beginning at 5:30 PM. Plus, those that wish to stay, we have a limited version of our Gator Allstars later in the night. Clean & limited Karaoke in the dining room. We have mic covers for all singers.

Thanksgiving Dinner

We have Two Seatings this day, 1:00 & 3:30 PM. A beautiful afternoon at Gator Trace with your choice of Roast Turkey with all the trimmings, Applewood Smoked Ham or Beef Tenderloin Medallions. Dinner includes choice of sweet potato or mashed potatoes, veggie, soup or salad & choice of Pumpkin or Pecan Pie, & Coffee.

Save the Date

Our Annual Member's Christmas/Holiday Dinner will be held on Wednesday, December 9th. No Live Music this year keeping everything low key. We have a Beautiful Evening planned with our special Eggnog for everyone. Limited Seating, Reservations a must.

We are continually trying to do our best in controlling the environment of social distancing in the Clubhouse with limited seating. During these times, we ask you to make reservations, whether it is for Breakfast, Lunch, or Dinner.

On The Green

The Corona Virus has got us all in a tizzy and the golf operation is no different. The single carts for daily play is now an additional \$20.00 per person to take their own single cart. Of course private cart members can take their own cart but we urge you to ride with friends, family, and other members when you can. The golf industry in general and local golf courses are going back to shared carts.

The wear and tear on the course is tremendous when there is four carts per foursome. This is why we must strictly abide by our cart path policy. "All carts must be on the cart path when around tees and greens". It is very disheartening when there is four private member carts that are around a green and no-one is on the cart path. Please help us during these trying times. It is only a benefit to all players when we have good turf around these areas !!!!!
