

# Gator Gazette

## Dear Members, Residents, & Friends

*Happy New Year! Wishing everyone a healthy, happy, & prosperous 2023. On behalf of the Gator Trace Staff, Thank you for all the baked goodies and gifts throughout the holiday season. We truly appreciate it !!*

*We want to reiterate the hours of the Clubhouse. We are open everyday for lunch from 11:00am to 2:30pm, Breakfast on Sundays from 8:00am to 1:00pm, and Dinner on Friday Nights from 5:00 to 8:00pm, followed by fun filled Karaoke till 11:00pm. Awesome.*

*We have a ton of golf to be played, so get out and sign up. Every Wednesday is the official Men's Event and Thursday is Ladies' Day. There is always the 1:00 games on Sunday, Monday, Wednesday, and Saturday.*

*We are stocked up nicely in the Golf Shop with new apparel, so stop in and check it out before your size sells out. Plus, we have a new stock of golf club grips for the season. Check with Cheryl or Scott for any of your club repair needs, they can do it !*

## **Nine & Dine**

*Couples Scotch Ball, Nine & Dine starts this month. Playing every Friday afternoon beginning at 3:30 PM. Following golf, "It is all about having a good time at Gator Trace". Cocktails and Dinner at the Club beginning at 5:00 PM. It is a great afternoon and evening to mingle with friends and neighbors. You can sign up in the golf shop for all the golf events including Friday nights. Come join us for a fun afternoon. By the way we wish to thank General Tomm and Bonnie Mountz for their years of organizing the Nine & Dine event.*

*It gets busy this time of the year in the Clubhouse, so please make reservations when planning dinner.*

## **Super Bowl Sunday**

*An early notice to get you ready for the Super Bowl Party at Gator Trace on Sunday Night, February 12th. We have Five Big Screen TV's plus the new 85 inch, O-LED TV in the Dining Room. "Awesome"*

## On The Green

*Remember that the wear and tear on the course is tremendous this time of the year so "Please" keep carts on cart paths around all tees and greens! Plus, please pair up on the golf carts with only 2 carts per group. THANK YOU !!!!!*

*To follow up on this subject, we have noticed players getting into the same habit of going on the opposite side of the green from the cart path. Not sure why ???, but we think it is just habit. Please try to break those habits and go directly towards the cart path when you approach a green. Plus, for some reason players like to pull off the cart path a few feet when they come to a stop. Please try to keep all 4 tires on the cart path at all times. This month we will be filling in all those ruts that have been made and you will see the GT staff out working diligently on these areas.*

*Thanks for your help on keeping Gator Trace Beautiful & Safe.*
